

## **Residential Product Line**

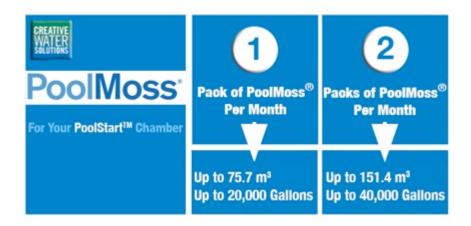

**Pools, Spas, Ponds and Fountains** 

PoolMoss<sup>®</sup> brings the power of Sphagnum moss to the residential pool. In addition to providing a new level of enjoyment for home users, it also reduces the time, cost, and effort associated with maintenance and service issues.

Sized according to a pool's water volume, the right number of PoolMoss<sup>®</sup> packs is easily determined and applied.

The system starts with the easily installed PoolStart<sup>™</sup> contact chamber, and PoolMoss<sup>®</sup>, which is easily changed on a monthly basis.

Creative Water Solutions began in the home spa, and SpaMoss<sup>®</sup> continues to make the spa experience more satisfying, relaxing, and easier to manage.

The SpaStart<sup>™</sup> kit contains everything necessary to make an easy transition to Sphagnum moss treatment.

Included in every SpaStart<sup>™</sup> package are (2) months of SpaMoss<sup>®</sup> refills and the StartNaturally<sup>®</sup> pre-filter. To help clean and prepare the complex internal systems for treatment, the powerful Breakaway<sup>®</sup> Flush is also included.

Each SpaMoss<sup>®</sup> treats up to 450 gallons/ 1.70m<sup>3</sup> of water for one full month.
